WHAT RECRUITERS SAY ABOUT UCSB STUDENTS

- They are smart and have great communication skills.
- Students are passionate about social justice and giving back to the community.
- "I love recruiting from UCSB because students are so personable and relatable. One of the most important skills in sales is to be able to bond and build rapport with your customers. Students have well-rounded résumés and are comfortable with their communication skills. Products & processes can be taught—but the interpersonal skills that UCSB students possess put them a step above the rest!"

—Oracle University Relations Manager

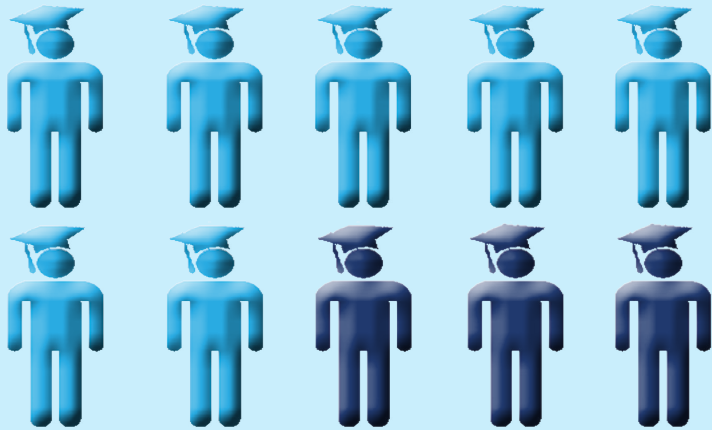

Quarterly programming helps prepare students for their next step: Internships, Jobs, Graduate School, Choosing a Major, Interviews, Writing Résumés, etc.

Our Career Resource Room is staffed by trained peer advisors and career counselors for one-on-one assistance.

Our recruiting events bring 400+ national and international companies and 100+ graduate and professional schools to campus.

7 out of 10 post-graduate degree-seekers say that UCSB prepared them "very well" or "more than adequately" for graduate school.

Of those attending grad school:

- 21% attend University of California (11% at UCSB)
- 14% attend California State University
- 28% attend another university in California
- 24% go out of state
