

# Accounting Internships

According to a recent survey by the National Association for Colleges and Employers, 75% of employers prefer to hire applicants with relevant internship experience. Internships can be paid or unpaid and you can seek opportunities on-campus, locally, nationally, and internationally.

Many of the companies below recruit primarily through Gaucholink, so be sure to register and search regularly. Review our calendar for this week's activities and workshops to prepare for your internship search and network with employers. Come by the Career Resource Room for Drop-in Advising to prepare your internship application material and get advice for your interview.

**Gaucholink** <http://career.sa.ucsb.edu/students/gaucholink>

UCSB's database of internships, part-time and full-time jobs by location and career functions. Many of the companies on this handout recruit through this system, in addition to hundreds more. New employers register daily and post new positions. Narrow your search using the appropriate fields or use the Advanced Search section. See website or consult a Career Peer for Gaucholink registration assistance.
