CALIFORNIA

California State Employment:

<http://jobs.ca.gov>

The State Personnel Board provides information on the application process for jobs with the state of California.

California Chambers of Commerce:

<http://www.calchamber.com/Pages/default.aspx>

Chambers of Commerce provides a networking venue for local businesses. Most chambers provide a membership directory by industry or product, plus other useful industry trends and networks for the city (county) nearest to where you hope to work. To search for a local chamber, click on “Business Resources.” Select “Local Chambers” and “List by County” from the drop down menu.

CalJobs:

www.caljobs.ca.gov

This is a free government service that allows job seekers to search for job listings by county.

JobStar:

www.jobstar.org

JobStar includes links to career information and job banks and job fairs in four regional areas: Los Angeles, Sacramento, San Diego, and San Francisco.

CalOpps.org:

<https://www.calopps.org/default.cfm>

Welcome to CalOpps.org - your ultimate resource for public employment career opportunities.

Craigslist:

<http://www.craigslist.org/about/sites>

Under California, search for jobs in various cities and regions.
